## Early Childhood Centre Rippa Tournament

4 Mini Tournaments are being held next week for 10 Early Childhood Centre's from Carterton and Masterton. Each Centre is provided with a minimum of 3 lessons and then given the opportunity to put into practice what they have learnt on the rugby field. Each game is of 10 minutes duration and refereed by children from local schools.

In the 4<sup>th</sup> term a similar programme is run in the South Wairarapa. The idea was initiated in 2011 when the ECHC's wanted to be involved in Pre World Cup festivities. There were 11 Childhood Centre's involved in the initial programme. This has grown to include a further 10 Centre's.

## Dead Ball Charlie's Highlights of the week

DBC can confirm he has not been on "walkabouts" - got to get a better press secretary. (Rory and I just needed a coffee break)

The B's are holding the fort up with 2 wins from 2 over the last few weekends. Well done lads and keep up the good work.

Rumour has it the U16's, U18's and U19's are running to plan and looking good for their upcoming tournaments.

Just days away from finding who will be our NZ Under 19's Heartland Representatives for 2014 – Dead Ball Charlie says – "keep working hard lads and go for gold against HK this weekend so the NZ Selectors can see what you have got".

Fantastic work by the WBRU Supporters Club – if we don't have biggest Heartland support base in NZ – then I will change my name in 2015.

## Wairarapa Bush U16 (18) vs Wellington U16 (19) Development

A stirring comeback. With 10 minutes to play and 13 points behind on the scoreboard, the Wellington U16 Development team showed grit and resilience to score two converted tries and win their pre-season fixture 19-18.

Played in cool and heavy conditions, the game was a forward dominated battle, with Wairarapa-Bush having the best of the opening 35 minutes, leading 13-5 at halftime. The steady easterly breeze off the Castlepoint hills provided a territorial advantage to the visitors in the second-half.

## The Whistle Blower

Last week in Paeroa on the Hauraki plains there was a rugby occasion that went mostly unnoticed by Wairarapa Rugby fans but it did not go unnoticed by Referees within this province. Our very own Alistair Payne became the first Wairarapa Bush referee since Steve Hannam way back in October 1997 to referee a first class championship match.

Alistair controlled the fixture between the playing through champions, Mid Canterbury, and the Pride of Paeroa, the Thames Valley Swamp Foxes. And his performance on the field in his first championship appointment was quickly followed by some well earned praise from players, spectators and local referees alike. The future bodes well for Alistair if he continues to grow as a referee. On Saturday he really looked as if he belonged at this level, delivering a fair, impartial and balanced performance that left neither side with too many grumbles – unfortunately not an all too frequent occurrence at Heartland level in recent weeks.

And it's a quick turnaround for Alistair as well. No time to dwell on the past. You are only as good as your last game. This week he heads away to Greymouth to control the West Coast V Horowhenua Kapiti game and the following week he is back at Paeroa where Thames Valley meets North Otago.

So all the players, coaches, spectators and officials who have contributed to Alistair's development; take a bow. And those that sat on the sidelines and criticised his match control; I guess we now know whose opinion was right.

I'll be watching his development with interest. I hope you will as well.

The Whistle Blower.

Alistair Payne (middle)
