DEAD BALL CHARLIE'S HIGHLIGHT

GREYTOWN

Moose Kapene Cup Champions – well done you have done your club
and supporters proud.

What about Rathkeale, Makoura, Chanel and Kuranui U15's strutting
their stuff on Memorial Park last Saturday.

JAB started too - that cost Dead Ball Charlie a few hot dogs!

COMMUNITY RUGBY REPORT

Wairarapa Bush Club Rugby

A difficult decision had to be made regarding the inclusion of Puketoi in the Wairarapa Bush competition for the second round. As a result of their withdrawal it was necessary to make last minute changes to the draw. At the council of Club meeting last week it was voted that the home and away games be evenly shared such is the importance of the second round. Altering the draw again had a direct impact on a number of clubs.

On behalf of the Union I would like thank all the clubs for their cooperation in what has been a difficult year to date. The drought and the demise of Puketoi are 2 of the contributing factors. In particular a special thanks to the Council of Club delegates responsible for the decision making pertaining to draws and fixtures. A number of them travel vast distances to represent their clubs. Their efforts are appreciated.

RDO REPORT

Coaches Plan training to include more activity and practice of skills. Players learn better when they have time to practice the skills needed to play rugby.

Ensure activities and trainings are Relevant to the games performance .

Tip of the week: To keep our kid interested in rugby we must coach safe tackle technique from under 8s up its very important ..

To the Rugby Community: Last week was a nightmare for our Referee Appointments Officer, Pete Debney. Our Rugby Community was asking Pete to appoint referees to 21 fixtures across the Wairarapa. And we had only 16 fit and able bodies to fill those roles. Many of our referees volunteered to do two games - that's a four hour commitment from these volunteers – so by Saturday, only 2 games remained without appointments.

Our Number 1 Ref, Chris Jeffries, was at Memorial Park at 11am on Saturday to ref a Junior Grade College fixture. He didn't leave the park until after 4pm and after he had just awarded a last minute match winning try to Martinborough in their Premier Grade struggle against a valiant Marist team. CJ was right on the spot when that try was scored – that's after about 5 hours of involvement at the park.

And he wasn't the only one. Ed Wallace did two games. Vaea Peterson did an early match and turned up at Memorial Park to find one of our TJ's was injured. Without a moments hesitation he was out on the sideline helping CJ control the main game.

And let me tell you – they loved every minute of it. If refereeing wasn't so personally satisfying I don't think any of them would turn out weekend after weekend to play their part. Refereeing is just so very very satisfying – most of the time.

But rugby can't go on like this. We need at least 5 more refs. So why not give it a go yourself or shoulder-tap that friend. Give the RUGBY UNION OFFICE a call and they will put you in touch with the Referees and you will be taken into our fold straight away.

Just Do It – otherwise those Junior School Grades will not have a ref to control their game.
