Congratulations

Chaz Matthews Greytown, **Daryl Pickering** Carterton, **Cody Cunningham** Tuhirangi have been named in the New Zealand Heartland U19's team to compete against ITM Cup U19's teams in a week long tournament in Taupo on 26th September. This is great opportunity for the boys from the Heartland areas to get recognised by the bigger union and also push for New Zealand under 20's for next year

Sam Tufuga Piopa from Rathkeale College is one of 51 boys who have been named to attend a development camp as selectors prepare to name the New Zealand Schools and New Zealand Schools Barbarians squads to play Fiji and Australia in Porirua next month.

The camp to be held in Rotorua starts on Saturday 20 September with the New Zealand Schools and New Zealand Schools Barbarians squads to be announced on 23 September. Sam has achieved a lot this year and we hope it continues this weekend good luck.

The Whistle Blower

This season Referee Coaching has taken me to Wellington, Palmerston North, Ruatoria, Gisborne and Paeroa and every club rugby ground in the Wairarapa. From the Grandstand, I watch and critique the referee performance and how he reacts to the pressure of the occasion before and after the match. I offer advice on how to improve and I help the Referee to plan that improvement.

But this week, NZRugby are allowing me to stay at home and wake up Saturday morning in my own bed. Hooray.

But that doesn't mean I am absolved from coaching duties. NZRugby, through a Web site called Advantage4Me, uploads a video of every rugby match played in the ITM Cup and Pink Batts Heartland Championships. Those videos can be viewed by every Rugby Union and all NZR referee coaches. And so each week I sit myself down during the week at the Wairarapa Bush Union rooms and watch my assigned game, take notes about decisions and performance and then tender some coaching advice to the referee of the day.

When areas of concern or when erroneous decisions are seen, the referee and the referee coach can watch the video together and discuss what occurred and how and why the referee came to their decision. It is often a very stressful time for the referee especially if they know that they made a few too many errors during the match. It may well impact upon how we view the overall capabilities of the referee and therefore impact on their ambitions in the referee world. This is how accountability works.

So this week, I will be watching rugby from the comfort of the Union's rooms and not from some exposed windblown grandstand

I think I'm going to enjoy this weekend.

The Whistle Blower.
