## **Wairarapa Bush Rugby Union President**

I wish to welcome both the Buller Heartland team and Wanganui U18s, along with their supporters and officials. Buller has a long history, being formed in 1894.

The curtain raiser will be a game that will highlight the talent of the upcoming Heartland players. Best wishes to our team.

The main game is one that surely is in the category of a “must win” for both teams. After the sterling effort against North Otago, Farriers Wairarapa Bush must be feeling confident. But we all know the danger of a fired up opposition. Our supporters will I'm sure will be out in numbers to cheer our team to victory.

Today we also have the pleasure of welcoming Maurice and Gail Trapp to the pride of the Heartland. Maurice is the President of the NZRU and is also a past coach of the Auckland team (1987 – 91). Not often do we have the honour of a current, high ranking official in our midst. No doubt all will make them most welcome.

In conclusion, be loud, be proud and cheer our teams to victory. But most of all, respect the right of all to enjoy the day. A tippie at the Gravel Pit (Supporters Club) could be a great way to finish your day!

## **Wairarapa Bush Rugby Union Chairman**

Tena koutou

Firstly welcome to Buller players, management and supporters.

This has been an exciting Heartland competition and the two teams that take the field today have everything to play for. We can expect both teams to move the ball and the weather looks like it will come to the party!

I would also like to welcome Whanganui supporters who will be here to support their team when Wairarapa Scrap Metals Wairarapa Bush Under 18's play Wanganui in the curtain raiser for the big match.

Unfortunately, our game has been in the press in recent weeks for very regrettable reasons. Whatever perspectives we have about these matters, it is very clear that all of us who are involved in rugby need to look after each other and the people around us.

So please make sure you have an enjoyable day but also look out for those around you. The positive values of looking after each other as a team, 'having each other's back' and being able to rely on each other, are so much a part of what happens on the playing pitch. Let's make sure that we take those values with us off the field as well.

Kia kaha, kia ora
