Wairarapa Bush Rugby Union President

Today Trust House Memorial Park, the jewel of the Heartland, has the pleasure of welcoming three teams, Manawatu U11s, Horowhenua Kapiti U18's and the mighty Thames Valley. To all officials, supporters and players, welcome! I am sure that you will have the opportunity to partake in the hospitality offered and that your stay will be an enjoyable experience.

To the main game - this will be a tussle between two teams that know what a loss can mean to their chances of a home semi. Officially Thames Valley were formed in 1922, but they have a history that can be traced back to the 1870's. I am sure that they will take the game to Farriers Wairarapa Bush, a challenge that will be met with enthusiasm. Best of luck to our team.

To all, be loud be proud, show respect to all, and enjoy your day. Remember too that the Mighty AB's are playing tonight. A quick enjoyable visit to the Gravel Pit (Wairarapa Bush Supporters Club), could be the way to finish what I am sure will be a winning day for all.

Wairarapa Bush Rugby Union Chairman

WAIRARAPA BUSH SUPPORTERS CLUB

A small group of vocal supporters went down to Ashburton for the Mid Canterbury game. The team did well with great scrambling defence and some excellent attacking moves. Players of the day were James Goodger, Andy McLean and Tim Priest. Well done guys! Congratulations too for the team's efforts in beating Horowhenua-Kapiti in Wellington. Today it is time to take on the Swamp Foxes. Supporters and visitors are most welcome to join us at the Gravel Pit. Every game from now on is important for us to get a home semi for the Meads Cup.
