Dead Ball Charlie Weekly Gossip Corner

There is a new grade of rugby in town – Under 55kg for colleges. 38 boys from the colleges attended for the first game last Monday.

While we are on junior rugby – 7 teams are contesting the under 15 college rugby competition – one more team than last year – great to see growth in this error.

Let's talk about the elephant in the room – Marist – just 2 wins away from making the top four – there has to be some nervous teams around and this competition has still got legs.

5 requests from colleges this week to use the turf because their fields are out – again the turf has proven to be a great investment.

Dead Ball Charlie has a view on the red card in the test match – a player was injured and that was the outcome. People are saying the French were hard done by: reality was the AB's had to play without one of their best players for 70 minutes. Quid pro quo?
