Due to changes made to the 2020 rugby season by the COVID pandemic the following changes will be made to the 2020 rule book for the 2020 season only.

IDENTIFY RULES TO BE CHANGES FOR A ONE ROUND COMPETITION

The rule amendments as described below are for the 2020 season only and have been approved by the Council of Clubs delegates on the basis of good faith between all clubs and in the best interest of rugby.

Rule 2.1.7: Clubs shall identify their Premier Grade Team in the NZRD system **by 27th June** using the “Team Builder” App. That list shall comprise a minimum 22 players. In completing that list Clubs should consider the playing-day requirement to have at least 5 front row players identified in their Team list if they wish to declare a 22-man playing squad

Rule 8.3.4 If a player has played four games for your club's Premier team that player cannot play in semi-final and final for the Senior Reserve team unless approved by the adjudication panel.

Rule 2.6 and 2.7 should be suspended for the 2020 season so that there is no Promotion Relegation between the Premier and Senior Reserve Grades.
